

Because the first steps are the biggest ones.

Thanks to our Sponsors

Although our setting is staffed by a team of professionals, relief and voluntary assistants, supported by a dedicated committee of parents and fundraisers, we could not do everything we do without the support of our sponsors.

As a registered charity we appreciate everything they do to help us and ensure that all donations go to benefit the children in our Pre-School.

We would like to take this opportunity to thank them all for their support in the past and hope we can look forward to working together in the future.
