

# Fairhaven Pre-school Autumn Term Newsletter 1

## Welcome Back

With our new school year now underway, I would like to take this opportunity to say welcome back to all of our children and give a warm welcome to Fairhaven pre-school to all of our new children and their families who have joined us. All of the children are settling in well and are becoming familiar with the staff and their surroundings.

We have had our first trip to Fairhaven Water Gardens, where the children went bug hunting and drew pictures of their favourite bug! Check the notice board in the foyer for the day your child will be taking part and remember to bring wellies and a waterproof jacket along on that day.

Last Friday we went over to the primary school playground to use the large play equipment, this is very popular providing the children with a great opportunity to practice their climbing skills and increase confidence.
